

# Field Trip Guide

SUMMER | 2026

# Mt. Olympus Day Hike

---

**Dates:** Friday, July 3

**Cost:** €60

*(includes transportation & mountain guides)*

Discover the legendary home of the gods on this demanding day hike to Mt. Olympus. Designed for fit and adventurous travelers, this 8-hour trek leads you through shaded forests and rocky slopes.

Expect steep climbs, rugged descents, and uneven terrain that require strength, stamina, and focus.

This is a true mountain adventure—not a leisurely walk—and those prepared for the challenge will be rewarded with sweeping views and an unforgettable sense of achievement.

# Meteora Monasteries

## Day Trip

---

**Date:** Saturday, July 4

**Cost:** €70

*(includes transportation, visits to 2 monasteries, guide, lunch)*

A day trip to visit two of the Meteora monasteries, impressively built during the middle ages on the peak of very high rocks and protected as a UNESCO World Heritage site. Lunch in the town of Kalambaka (included).

## Scuba

---

**Date:** Sunday, July 5

**Cost:** €80

*(includes transportation, scuba equipment, & certified guides).*

Explore the underwater world of the Aegean Sea and learn the basics of scuba diving on this day excursion in Halkidiki, one of the best diving spots in the area. The experience begins in shallow water to stand and practice breathing and do a dive check. Once everyone is comfortable, you gradually descend deeper, seeing representative samples of flora and fauna of the Aegean. Certified divers have the opportunity to descend deeper during their dive.
